

# Stoa NITOC Ballot Colors 2024-2025

Rev. 10/23/2024

## Colored Paper at Staples

These are the ballot colors used at NITOC. Local tournaments are not required to use these colors, however it is easier for students and parents to become familiar with consistent ballot colors. Consistency also helps Tab. Included are the Staples SKU numbers, paper descriptions, and online prices. These are retail paper prices. With a Staples account, the prices will be less.
